The property included within this District will generally be agricultural, residential, and open space activities. This District is considered to be the future growth area for the Town and new uses are to be carefully controlled.

**b.** Renumber Paragraph 2 as Paragraph 8 and amend as follows:

**8.** All new chimneys in any district shall be constructed of stone or brick or concrete or cinder blocks **of at least four (4) inch solid masonry** to the ground: each shall be lined with tile and extend at least two feet above the roof to which it belongs and shall have a clean out opening at the base. An existing lot of record shall be defined as a lot which is described in a deed which is on record in the Cheshire County Registry of Deeds or shown on a subdivision plan which has been duly approved by the Planning Board **prior to the passage of this amendment.**

**d.** Delete existing Paragraph 4 and insert the following new paragraph:

6. The minimum size for a septic system shall be a system designed for a three bedroom residence which meets all applicable state and local building codes.

a. After December 31, 1972, no person shall occupy, lease to any person, or permit any other person to occupy a building as a dwelling house unless each family or dwelling unit shall contain at least one flush toilet, either gas, electric, or water, properly ventilated and constructed, and connected to a suitable drain or sewer for the flushing of the sewage to a septic tank with adequate leaching area or bed.

b. Indoor composting privies (toilets) may be installed in single family dwellings within the town by permit of the town health officer and/or by permit of the New Hampshire Water Supply and Pollution Control Commission, as required by RSA 149-E, and as permitted in the Guide for the Design, Operation and Maintenance of Small Sewage Disposal Systems published by the NHWSPCC, except that an approved septic system shall be provided to meet minimum standards that would be required for an ordinary wastewater disposal system for a three bedroom house with a 1,000 gallon septic tank and an approved leaching area.

Only one building containing apartments shall be constructed on a single lot. (None of these restrictions shall prohibit the conversion of existing dwellings into apartment units.)

1. The following uses may be permitted by the Board of Adjustment as a Special Exception subject to the conditions and specifications set forth herein, if the Planning Board pursuant to its Site Plan Review authority finds that the specific site is an appropriate location for such a use, and if in each case it has an adequate water supply and sewage disposal system, and if it meets all applicable requirements of the State of New Hampshire.

   a. ELDERLY HOUSING. It is declared to be in the public interest and the general welfare of the Town of Swanzey to encourage the development of housing for the elderly/handicapped as defined by the regulations of the Department of Housing and Urban Development, as written or amended. The purpose of this section is to establish the Special Exception conditions which such a use must satisfy, and where these regulations differ from other sections of the Zoning Ordinance, the provisions of this section shall take precedence.

      Any site proposed for elderly housing under this section must be located in close proximity to such support services as shopping, medical, places of worship, and other necessary to meet the needs of the elderly.

      Recognizing the (1) desirability of locating elderly housing developments within the more intensely developed areas of the community where related support services are usually available; (2) the problems of land assemblage within these areas; and (3) the potential social, cultural and physical advantages to the elderly of "group living," the Board may permit a density level of not more than 10 units per acre for elderly housing projects. The Board may further permit such units to be constructed within multiple buildings on the site.

      Off-street parking must be provided on the project site at the rate of one space per dwelling unit.

      Recognizing the potential physical limitations of the elderly, the Board may permit a vehicular drop-off area within the required front yard area within the district.

**m.** Insert new Paragraph 14 as follows:

**14.** CLUSTER HOUSING AND CLUSTER DEVELOPMENT

**a.** Cluster development is an arrangement whereby a developer is permitted to subdivide lots and construct dwellings in accordance with a plan which, while maintaining the overall density of housing permitted in a district, permit flexibility in lot size, frontage, and setbacks. The advantages of clustering are:

Excellent means of preserving open space and providing areas for recreation,

Permits economics of road construction and road maintenance and of provision for public utilities and public service,

Permits creative approach to the development of residential land,

Enhances the appearance of a neighborhood through preservation of natural features.

**b.** The minimum lot area for a cluster development is ten (10) acres.

**c.** The maximum number of dwelling units in a single cluster development is twenty-four (24).

**d.** Although cluster developments may be subdivided and constructed in phases, no incremental approvals may be granted. The entire parcel to be considered for cluster development must be presented as a whole so that the boards may consider the entirety of a project.

**e.** Cluster development proposed in accordance with the provisions of this section shall be permitted as a Special Exception by the Board of Adjustment in each specific case.

The maximum number of dwelling units in a cluster development shall be computed by subtracting the area required for public roads within the development and the area of undevelopable land as defined by the Swanzey Wetlands Conservation District regulations from the total acreage of the tract and dividing the remainder by one acre. In the case of fractions of units, the next higher number of units shall be permitted.

If twenty-fve percent (25%) or more of a tract of land is undevelopable land or wetlands or both, the area required for public roads may be excluded from the above computation when the exclusion is authorized as a Special Exception by the Board of Adjustment in each specific case.

**f.** Site plan approval by the Swanzey Planning Board must precede the granting of a Special Exception for Cluster Developments involving multi-family dwellings.

**g.** The site plan and development shall be of such a character as to harmonize with the surrounding neighborhood, be aesthetically pleasing, preserve the natural features and beauty of the environment, and preserve the appearance of the community.

Landscaping shall be designed so as to enhance the appearance of a project, screen parking and service areas from residences, and effect a blend between the project and surrounding areas.

All wires, cables, conduits, and equipment used to transmit utilities to, among, and from buildings should be installed underground in accordance with and to the extent permitted and feasible by generally accepted engineering practices.

The architectural design of structures shall conform to the principles of this paragraph.

**h.** All land in cluster developments in excess of building lots, roadways or driveways, and parking areas shall be reserved as one or more open spaces recreation, conservation and enjoyment, as follows:

Such open space shall be readily accessible to all residents of the development.

Open space may be held cooperatively or in condominium.

**i.** No building permit shall be granted for any structure in the development except as specifically provided for in the site plan approval or special exception.

**j.** Dwelling units for cluster development in the Rural/Agricultural District shall be non-contiguous, detached, single-family dwellings.

**n.** Insert new Paragraph 15 as follows:

**15.** Off-street parking shall be provided as follows:

| | |
|---|---|
| a. Dwelling | 1 space per unit |
| b. Hotel, motel, inn, etc. | 1 space per rental unit |

# MT. CAESAR UNION LIBRARY

Librarian's Report

Over fifty young people took part in a successful Summer Reading Program which had kites as a theme. An exhibit of N.H. authors and books, created by Hazel Fuller, was shown at the Cheshire Fair winning a first premium. A summer film program was held in cooperation with the Stratton Free Library in West Swanzey. The 3rd and 4th grades from Wilcox School and the Swanzey Cooperative Kindergarten visit the library regularly to borrow books.

Many individuals have donated time, effort and money in support of the library. Such generosity is appreciated very much as it makes it possible to provide additional library materials and services, improvement and maintenance of the building and grounds, and needed insulation.

More than 400 books were added to the book collection. These include several memorial gifts, substantial donations of children's, and adult fiction and non-fiction books as well as monthly acquisitions of books newly published. Some statistics are: Borrowed from the library - 17,298 books; 1,056 magazines; 17 records; 245 puzzles (which have been donated to the library) and 45 pamphlets. 119 additional registrations of residents using the library were recorded, and the individuals are all ages and come from all parts of Swanzey. The staff answered 785 reference questions, and more than 7,000 persons came into the library. Books and other items are borrowed from other area libraries and from the State Library in Concord as requested by the patrons. Books on many subjects and for all ages were also borrowed from the Regional Office of the State Library in Concord. Volunteers take books to the Carpenter Home and to other house-bound persons on a regular basis.

The library is open 30 hours on four days a week. The hours are:

Monday through Wednesday: 1:00-5:00 PM; 6:30-9:00 PM
Tuesday and Thursday: 9:30-11:30 AM; 1:00 to 5:00 PM; and 6:30 to 9:00 PM.

Serving on the Board of Trustees are: Hazel Fuller - president; Jane Johnson, vice-president; Marilyn Parpan, secretary; Elsie Navish, treasurer; also Charles Ford, Donna Hills, Paula Page, Myron Steere and Richard Talbot.
Assistant librarians are Janet Parsons and Lorraine O'Gorman.

Respectfully submitted,

Ruth Palm, Librarian

# STRATTON FREE LIBRARY

This year eighty-three new patrons took advantage of George Stratton's dream that there should be a "free" library in his native village with plenty of good books, so that if some young boy of talent and energy had the same strong desire as himself for obtaining information, he should not go through the same suffering because there were no books nor people to give him assistance. One hundred and seventy-two books were added to the "good books" already in the library, and the State Library moved through their reorganization enough so that we borrowed close to one thousand books from that source.

Circulation has again increased and the number of children involved in our "Reach for the Stars" summer reading program almost doubled from the number involved in other years. Thanks to the generosity of many people in our community, the movies for the summer film program were shown on our own projector. Movies as well as books are also taken bi-weekly to the Holbrook Senior Citizen's Home.

Music was again part of our summer program, featuring a great variety of music from fiddle to bass viol and classical to modern jazz. Ideas and new committee members are always welcome.

Other services provided by the library this year have included talks to several groups about the use and history of the library, story hour for the Swanzey Community Kindergarten, and a very well attended Christmas party of books, crafts and movies.

Monthly, our display of old pictures and memorabilia from the collection of Mr. Eddie Calkins changes. This year, as for the past several years, the library was opened during "The Old Homestead" week-end to show pictures and souvenirs from the long run of "The Old Homestead," both on Broadway and off. Town pictures were also on display and Mr. Calkins was present to answer questions.

Hours are: Tuesday 2-4:30, 6:30-8:30, Thursday 10-12 and 2-4:30

Trustees are: Ernest Perry - chairperson; Bill Haley - treasurer; Carol Haley - secretary; Barbara Hood, Patricia Fenn, Susan Miller, Theresa Stepenuck, Carol Roosa; assistant librarian - Carol Haley.

## 1982 REPORT OF SWANZEY VISITING NURSE ASSOCIATION

Starting in January 1982, Swanzey has been a member of the Home Health Care and Community Services, Inc. which also includes many other towns in the Monadnock region. The nurse for Swanzey has continued to work out of Winchester. We now have weekend coverage which wasn't possible before joining the group.

Besides the nursing service, there is also a home health aid program provided for patients unable to do some things for themselves. Physical and occupation therapy is also available upon recommendation from a patient's doctor.

Blood pressure clinics are continuing at the Town Hall, Swanzey Center on the second Monday of the month and at Waterview, North Swanzey on the last Monday of the month. These have been very well attended.

A new service has been added: "Meals on Wheels," which delivers one meal daily at noon to homebound patients or clients who cannot get out or prepare meals easily for themselves. Persons requesting such service, which originates in Keene, should call Home Health Care and Community Services 352-4309 for more detailed information.

Hospice is also available through the Home Care and Community Services for patients and their families facing the trauma of terminal illnesses.

Dental clinics for Swanzey children are co-sponsored with the Swanzey P.T.O. This year 202 students including preschoolers were helped.

The meeting was called to order by Caleb Wright who acted as Moderator in place of Carl O. Snow who was absent because of illness.

Mr. Wright read the warrent for the meeeting and the return of posting thereon.

On motion of Mary S. Bedard, seconded by Martha Henry, it was voted to dispense with the reading of the minutes of the last annual meeting, held on March 17, 1981, copies of same having been distributed to the Commissioners.

**Under Article 1** — On motion of Martha Henry, seconded by Jerome Houghton, Mary S. Bedard was nominated as Secretary of the Precinct for the ensuing year and the oath of office was administered to her subsequently by George R. Hanna, a Notary Public.

On motion of Mary S. Bedard, seconded by Caleb Wright, Irene L. Underwood was nominated as Treasurer for the ensuing year. There being no other nominations, by voice vote Mrs. Underwood was declared duly elected as Treasurer of the Precinct and the oath of office was administered to her subsequently by Mary S. Bedard, a Notary Public.

On motion of Louise Wright, seconded by Wallace Yardley, Carl O. Snow was nominated as Auditor for the Precinct. There being no other nominations, by voice vote Mr. Snow was declared duly elected and he subsequently took the oath of office before Mary S. Bedard, a Notary Public.

On motion of Mary S. Bedard, seconded by Louise Wright, there being no opposition, it was unanimously voted to raise by taxation on the property of the Precinct, to defray expenses of carrying on the Precinct business, the sum of $33,564.00, subject, however, to State approval, and further, to authorize the Clerk to certify this vote to the Town of Swanzey.

**Under Article 3** — On motion of Jerome Houghton, seconded by Wallace Yardley, it was unanimously voted to accept the Article as read, and to authorize the Commissioners to borrow such sums of money as may be necessary for the ensuing year in anticipation of taxes.

**Under Article 4** — It was brought to the attention of the meeting that there has been an amendment to the rules and regulations of the Precinct with regard to the so-called "thawing service lines." The service is to be charged directly to the customer in accordance with a letter, dated June 15, 1981, hand-delivered by Mr. Yardley. This has been adopted in view of increased costs of equipment rental, welders, etc., and the added expense for all precinct members, and not only those members who have freezing problems. A copy of said letters of June 15, 1981 is appended to the minutes of this meeting and made a part hereof.

There being no further business to come before the meeting, on motion of Jonathan Henry, seconded by Martha Henry, it was unanimously voted to adjourn.

## SWANZEY RECREATION COMMITTEE

During 1982 trees were sprayed at Richardson Park and at Brown Memorial Field to combat against the gypsy moths.

Richardson Park had some trees removed and tress trimmed to let more sun in. A Red Cross swimming Program was held for 2 weeks at the lake with approximately 70 children attending.

Brown Memorial Field purchased 2 steel doors for the bathrooms. Also 4 much needed picnic tables were purchased. The enlarged parking lot has been partially completed. During 1982 approximately 70,000 people used the grounds at Brown Memorial Field.

At Lane Fields the only purchase was galvanized wire for the 4 dugouts and that was needed for safety reasons.

Thanks to all those people that gave their time to keep the sites looking so nice.

The Summer program was held at Mt. Caesar School and Cutler School for six weeks. Besides their regular activities, there was swimming and field trips. Thanks to Tom Warner and Bob Brennan.

# SWANZEY OLD HOME DAY

Instead of holding the usual Old Home Day celebrations in August, 1982, the sum of $450 appropriated for this purpose at last year's town meeting was placed in a trust fund to help meet the expenses of the 1983 Old Home Day festivities. These festivities will commemorate the 250th anniversary of the town's settlement and will take place during the weekend of July 22-24th in conjunction with the annual production of The Old Homestead, the traditional suppers and the viewing of the Antiquarian displays at the Mt. Caesar Union Library.

Calendars featuring historic photographs of area landmarks were produced by the Old Home Day Committee and are being offered for sale to help finance the 250th Anniverary Celebration which has as its theme Swanzey: Yesterday, Today and Tomorrow.

The weekend of July 22-24 will include an exciting array of events guaranteed to please people of all ages. On Saturday and Sunday there will be an Old Fashioned Fair with booths and kiddie rides. Saturday's schedule will also include an Auction at which items donated by townspeople will be featured; a Clambake is scheduled for the early afternoon; and a Street Dance in the evening, the dance to be held in West Swanzey. In addition, the day's events will include a 10 km. Road Race sponsored by the West Swanzey Athletic Association.

Sunday will begin with the traditional Old Homested Church Service in the Potash Bowl. A Parade featuring neighborhood floats and the stage coach used in the town's 200th Anniversary Celebration will follow. Barbara Brown will act as grand marshal as her husband did for the 200th Annivesary Parade. Following the Parade a Chicken Barbeque will be held.

Many town residents are working hard to ensure the success of this event. We hope that young and old alike will support it as participants and spectators. Happy Birthday, Swanzey!

## SWANZEY CONSERVATION COMMISSION

The major issue last spring was the gypsy moth caterpillar infestation. After attending state and local forestry meetings, the Commission decided not to join a state spraying program due to the nature of the chemical used and the signs of a collapse in caterpillar population. The commission continued its support of local citizens who wished to treat elm trees (in public view) for Dutch Elm disease.

The Commission held its annual Ashuelot Canoe Trip, testing water samples along the way, and repeated its annual Town Clean-up. Attendance for both was average but enthusiasm was good, especially from the Scouts.

The Planning Board made three requests for site reviews by the Commission and reports were made.

Members: Tom Buck; Rick Allen; Barbara Skuly and Dr. Stephenuck.

# REPORT OF SWANZEY ROAD AGENT

The Swanzey Highway Department resurfaced 100 feet of Warmac Avenue. They lifted and resurfaced a strip of the Blake Road from Route 32 to Roger Cumming's property. The intersection of West Street was raised approximately two and one-half feet for 100 years to alleviate a water collection problem.

Two new catch basins and drainage were installed on Homestead Avenue from the railroad tracks to Woodale Avenue. The road from Woodale Avenue to the Brown farm was resurfaced.

Hale Hill Road was built up and resurfaced in from Route 32 eight hundred feet with TRA funds. A repair job was done on the road near Kermit Madden's house to repair damage done by heavy logging trucks. The old clay surface was dug out and new gravel was put in along fifty to seventy-five feet of the road.

The Base Hill Road was built up over the brook near Division 7 and brush was cut along the road.

General ditch cleaning and brush cutting were done throughout the Town, but specifically along Cobble Hill Road to allow for widening of the road.

Respectfully submitted,

Carl Walden
Road Agent

## A NOTE OF APPRECIATION

The Town of Swanzey would like to express appreciation to Kingsbury Machine Tool Corporation, and their employees, for the donation of their time and supplies during 1982. Eight new voting booths were constructed and donated to the Town for use at town and school elections. The Town's large zoning map was reduced to 8½" x 11" size by Kingsbury's so that it could be included in the reprinting of the town zoning ordinances.

## REPORT OF THE SOUTHWEST REGION PLANNING COMMISSIONERS

The Southwest Region Planning Commission continues to make a transition from its past heavy commitment to work efforts prescribed by state and federal contracts to service oriented activities more directly benefitting its member towns. This year has seen a major move in the direction of such innovative programs as co-operative community purchasing which brings many communities together to purchase as a single unit under the aegis of the Regional Planning Commission. In this way, greater savings to the individual towns can be realized over what they would pay for supplies and materials if they purchased independently. The program has been proven to be most effective in its initial purchases of No. 2 fuel oil, sewer and water chemicals and gasoline.

The Commission brought its member communities into conformity with the new State Solid Waste Legislation by forming the first Solid Waste Management Planning District in the State. By this action, those towns which have opted to join the District, Swanzey among them, have now complied with the mandate of the state law requiring that towns look at the problem of solid waste disposal from a regional perspective.

Most importantly, the Regional Planning Commission continues to work directly with the town of Swanzey in its on-going planning and zoning concerns. The Commission staff is always ready and able to answer questions relative to interpretation of local and state laws and to provide information on precedents that may have been established concerning an issue of relevance to Swanzey.

This coming year will see continuing efforts on the part of the Commission and the town to assure that Swanzey's Comprehensive Plan is up-dated and that its land use regulations are properly implementing the policies of the Plan.

## SWANZEY BOARD OF ADJUSTMENT

The Board of Adjustment meets on the first Monday of each month at 7:30 p.m. at the Town Hall in Swanzey Center.

During the past year, the Board granted 5 variances, 8 special exceptions and 1 variance was denied.

Four temporary trailer permits were issued.

H. Gregory Johnson resigned as chairman of the board, remained a member. In March, Don Simeneau was elected chairman, and Richard Lane vice-chairman. Richard Lane was also elected to a five year term at the March Town Meeting.

Members: Richard Lane, H. Gregory Johnson, Francis Faulkner, Robert Kenerson.
Alternates: Kermit Madden, Rose Fisher, Gary Davis.

Respectfully submitted,

Don Simeneau, Chairman
Swanzey Board of Adjustment

# SWANZEY RESCUE SQUAD

The Swanzey Rescue Squad is comprised of trained volunteers from the Town of Swanzey. In addition, numerous continuing education classes and demonstrations are held throughout the year. The rescue squad also sponsors CPR classes. The squad is willing to train anyone interested in joining rescue.

# REPORT OF THE EAST SWANZEY FIRE COMPANY

This spring 27M2, our 1960 pumper, was taken out of service for extensive body repairs.

The 500 gallon water tank had to be taken out and repaired. The fenders and hose bed had to have rust fixed and sheet metal replaced. The whole truck was undercoated and then painted with "Dupont Imron Paint."

A new hosebed divider was installed so that we now have a 1½ inch hose preconnected to the pump. Scott Air Paks are now mounted on the rear of the truck so that firefighters can get them on faster.

27M1, a 1957 pumper, was equiped with hosebed dividers to allow for two 1½ inch hose lines and Scott Air Paks on the rear of the vehicle.

27M3, 1953 tanker, now has a front mount pump and "Jet Dump" system that allows us to empty its 1,500 gallon tank in three minutes. We can dump into a 2,000 gallon portable tank that sets up near the fire or pump into another pumper at the fire scene. We have also made a filler hose so that we can refill the tank in two minutes from a pumper pumping from a pond or river.

Anyone wishing to see our equipment is invited to visit the station any Sunday morning at 10 o'clock or the first Monday of the month at 7:00 PM.

The East Swanzey Fire Company responded to 25 emergency alarms. Chimney Fires (3), House Fires (6), Partition Fires (2), Car or Truck fires (2), Mutual Aid (2), Furnace Problem (1), Controlled burn (2), Lightning Strike (1), Car Accident (2), Swanzey Dump (2), Miscellaneous (2).

Respectfully submitted,

David B. Osgood
Secretary/Treasurer

**To the Selectmen and Townspeople of the Town of Swanzey, N.H.:**

On display is a roster of firemen of the East Swanzey Fire Company since its inception, in 1902. A great amount of time has been spent researching the records and compiling this list.

I would like to express "a special note of appreciation" to Ronald (Chuck) Fontaine for chairing this project and seeing it to its completion; to John and Jan Blake for researching the records and work on the plaque; to Jeffrey Hurt for his expertise in assembling and finishing; and to all those who assisted in its completion.

The plaque will be on permanent display in the meeting room at the East Swanzey Fire Station.

Respectfully submitted,
Charles R. Beauregard, Captain
Edwin Ridley, Jr., Asst. Chief
Swanzey Fire Department
East Company

## REPORT OF THE BOARD OF SEWER COMMISSIONERS

The commissioners would like to thank the people of West Swanzey for their excellent cooperation during a difficult first year of operation.

Respectfully submitted,
